Projects
[All page numbers refer to the course text.]
I) Repertoire (primary instrument)
   1) Selection of two tunes from the *Improvisation Play Along Lead Sheets* found on pages 88 through 143 that includes the following:
      a) One selection chosen from either *Be Bop Blues 3* or *New York Changes Blues*.
         The student will be required to play either the composed solo for selection a. or selection b.
         The student will also be required to improvise on selection a.
      b) One selection from *Not So Softly*, *Over the Moon*, *Mere Acquaintances* or *Freud's Overheated Subconscious*.
         The student will be required to play the song melody of the selection and improvise on the chord changes. If the composed solo for selection a. was not played, then the composed solo for selection b. will be played.
   2) Selection of one tune from the Repertoire List.
      The student will be required to play the melody from memory and improvise on the chord changes of the piece from memory. The student will provide the playalong track for this selection.
   3) The student will transcribe and analyze a solo by a jazz artist of his/her choice (in the style of bebop; solo to be approved by the instructor) – the student will present his/her annotated transcription to the class at the end of semester. The student will also perform his/her transcribed solo at the end-of-semester meeting. It is recommended that the transcription be from an artist who performs on the same primary instrument of the student. Also, a medium to medium-up tempo selection is recommended.

II) Piano Requirements.
   A) Ability to play 4 note SATB ii V I cadences in all keys [pages v and vi of the text].
   B) Ability to "comp" the voicings to the chord changes of *Publish or Perish*.
      [Check Piano Requirements, pg. vii]

III) Scales & Approach Tones (primary instrument)
   A) Ability to play assigned modes and scales in all keys at the required tempos.
      [Scale Requirements, p. iv]
   B) Ability to play the Major Approach Tones in all keys.

Individual evaluation appointments will be assigned for projects I, II and III with the instructor. The appointment times will made available for sign up on SignUpGenius.com

**Late Penalty Policies for Homework Assignments and Theory Midterm**

If theory and ear training assignments, or the theory midterm, are one calendar day late, a 5% penalty will be incurred. If an assignment or theory midterm is turned in two calendar days late, a 10% penalty will be given. If any of these items are three calendar days late, don't bother turning them in, they will not be accepted. The grade given will be an F with "0" points.

**Specific Directions for Turning in Late Assignments**

Assignments turned in one day late from a Monday due date must be turned in on the following day (Tuesday) to the music department office, and must be date stamped by office personnel. They will, in turn, put it in my mailbox.

Assignments turned in one day late from a Wednesday due date must, in a like manner, be turned in the following day (Thursday) with a date stamp.

Assignments turned in two days late from a Monday due date can be turned in on the following Wednesday class meeting.

Assignments turned in two days late from a Wednesday due date should be turned into the music department office on the following Monday and be date stamped.

Assignments may be turned in digitally by midnight on the day it is due without incurring a late penalty. A physical copy of assignments is preferred.

Remember, the music department office is closed on Fridays.

**The theory final exam must be turned in on the assigned due date. Unlike the late policies for assignments and the theory midterm, there is no grace period for the theory final.**
**Attendance Policy**

Good attendance is critical to a student’s success in this type of sequential class. I will record attendance each class day, starting from the second week of class. Each student is allowed three absences during the course of the semester without penalty. Any absences after that will incur a 1% penalty from the total grade (per absence). This policy is in effect from the third class meeting through the end of the semester.

Exception will only be given for verifiable family or health emergencies.

**Students with Disabilities**

To avoid any delay in the receipt of your accommodations, you should contact Student Disability Services as soon as possible. Please note that accommodations are not retroactive, and that accommodations based upon disability cannot be provided until you have presented your instructor with an accommodation letter from Student Disability Services. Your cooperation is appreciated.

**Note:** To advance to Elements of Jazz III (Music 366) a student must receive a letter grade of no less than C.
